

No one likes being told what to do - especially on holiday - but please do follow our farm rules to keep you, and our furry friends, safe and well

FARM RULES

KNOW YOUR GROUP'S WHEREABOUTS AT ALL TIMES! Parents, guardians and carers are responsible for the people in their care. Please remember this is a working farm, with areas of deep water, vehicles and animals and the dangers they can bring - little humans should not be allowed to wander away from your cottage and garden areas unsupervised

CLOSE GATES BEHIND YOU AND DON'T CLIMB! Please close any gates behind you. If a gate has a padlock (either open or closed) please do not go through it without speaking to a member of the team first. **DO NOT CLIMB** walls, fences or gates and **DO NOT** allow your little humans to either.

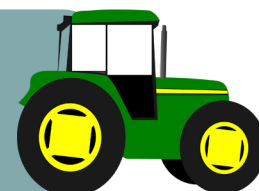

WASH YOUR HANDS! Wash your hands thoroughly with soap and water after you have touched animals, fences or other surfaces in animal areas, and after removing dirty shoes or boots that have been worn on the farm. Hand sanitisers are good - but nothing beats bugs like ol' fashioned soap and water!

FRIENDLY, UNDER CONTROL DOGS WELCOME! Your furry family members are always welcome at Brockholes and we know "well-behaved" is relative when it comes to our canine companions - please ensure they are under your control at all times

DRIVE CAREFULLY! Please observe all speed limits at all times. The lane to the cottages is a public footpath, please be vigilant, cautious for walkers, fellow holiday makers and remember the furry and feathered have priority on our roads!

LOOK OUT FOR VEHICLES! The road to the cottages is a private lane, but please always beware and look out for cars, farm vehicles, plant and machinery.

RESPECT FOR OTHERS! We want everyone to have a good time and enjoy a relaxing, peaceful break here at Brockholes. Please remain respectful and courteous of your fellow holiday makers at all times. If celebrating, returning late in the evening, or group-holidaying across multiple properties, please keep the noise to a minimum.
